Created for Adventure

Benivan

Your Benivan is ready to go on a new adventure, big or small, whenever you are.

The Benivan range offers two van conversion models with practical, multi-functional layouts perfect for daily tasks and adventures at the drop of a hat.

These highly versatile van conversions offer the functionality of the Fiat Ducato base vehicle; designed to offer drivers a car-like, intuitive and safe driving experience, whilst also providing the comfort and luxury of a coachbuilt motorhome.

Benivan Key Features & Benefits

FIAT 140BHP EURO 6D ENGINE WITH ABS BRAKES, ESP TRACTION+ & HILL DESCENT

The new Fiat engine provides a powerful, comfortable & safe driving experience with an optional Fiat automatic gearbox available as a cost option.

AIR CONDITIONING & CRUISE CONTROL

Drive with the ultimate comfort thanks to the inclusion of cab Air Conditioning & Cruise control.

3500KG CHASSIS OPTION

All Benivan campers come on a 3500kg chassis to be driven by anyone holding a UK licence regardless of age.

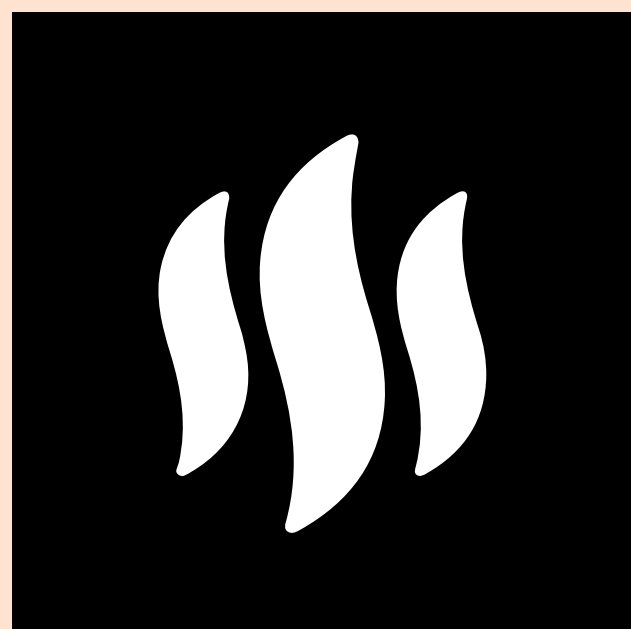

LEATHER STEERING WHEEL & GEAR LEVER

Enjoy additional driving comfort thanks to the luxurious leather steering wheel & gear lever.

DOUBLE GLAZED WINDOWS WITH BLINDS & FLYSCREENS

Soaring heat, glaring sun, bothersome insects or prying eyes - keep out everything that could spoil your day with the Benivan fitted blinds & flyscreens.

ELECTRIC & HEATED WING MIRRORS

Primero door mirrors are electrically heated, eliminating ice & condensation build-up quickly, to help you see more clearly in any weather.

ALLOY WHEELS WITH FIAT FIX GO REPAIR KIT

Fix&Go is the most advanced tire repair kit in the world helping you get back on the road in emergency situations.

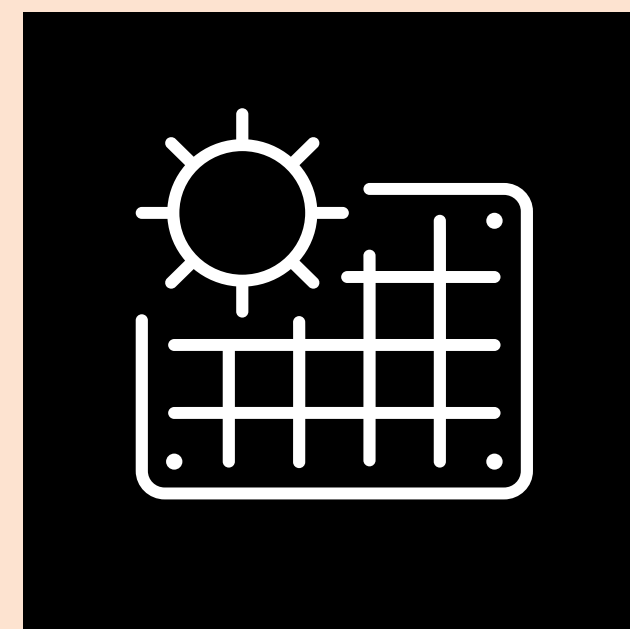

THREE POINT SEAT BELTS TO ALL FORWARD FACING DESIGNATED PASSENGER SEATS

Comfortable safety for all your passengers.

WEBASTO AIRTOP DIESEL HEATING SYSTEM

Webasto is the market leader when it comes to diesel heating.

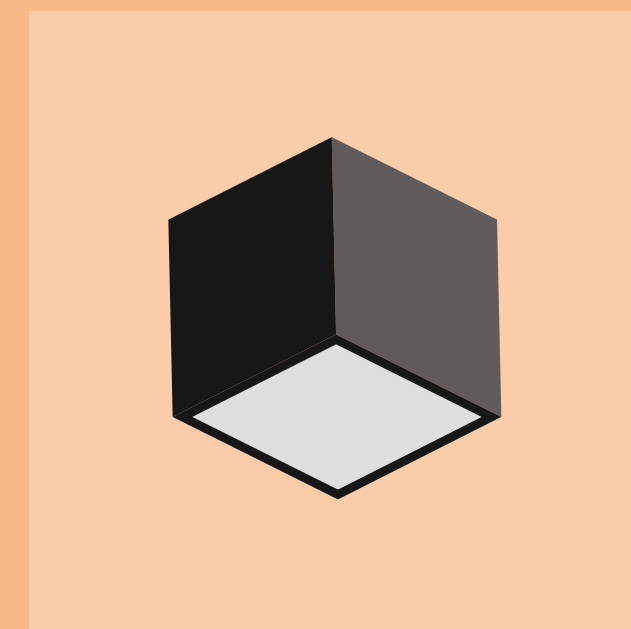

SOLAR PANEL

The Solar Panel can ensure your batter life lasts longer. Being self-sufficient helps you enjoy the freedom a motorhome brings.

CAPTAINS CHAIRS

Fully upholstered swivel captain chairs with two arm rests & height adjustment.

GRP & 99% WOOD FREE CONSTRUCTION

Benimar motorhomes offer the almost complete elimination of wood in the bodywork structure. The use of damp-proof materials, which are effective at insulating, guarantee the vehicle lasts longer.

Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press, but this information should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). The Mass In Running Order (MIRO) - Weight of the Motorhome equipped to the manufacturer's standard specification including essential habitation equipment. The MIRO is the mass of the unladen vehicle, including an allowance for the driver (assumed 75 kg) and a 90% full fuel tank. The MIRO is calculated with the fresh water tank empty. If you travel with water in the freshwater tank then the User Payload will reduce accordingly. Maximum User Payload includes Personal Effects Payload, conventional load and the Optional Equipment Payload. Please ensure that you've allowed for the masses of all items you intend to carry in the Motorhome. All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof and have been rounded to the nearest inch. All dimensions have a tolerance of +/- 25mm. Your Motorhome weights have been calculated with all water tanks empty and we recommend you travel with all water tanks empty. Heights are measured on an unladen vehicle excluding any roof aerial. The optional Automatic gearbox on the Fiat Chassis will increase the MIRO by 21kg and therefore reduce the user payload by the same amount.
